

Welcome to Leyland Lights

Congratulations on becoming a member of the Leyland Group's 'light blue club', the Leyland Lights.

This pamphlet is your introduction to the club and membership of Leyland Lights is open to all new, existing and recently initiated Freemasons in the Leyland and District Group of Lodges. It has the following aims:

- ❖ To enable you to meet other newly initiated brethren, both within their own Lodges and at social events.
- ❖ To assist new brethren in forming friendships with other members of the Club and which will hopefully last for many years to come.
- ❖ To enable members of the Club (and their non-masonic friends) to meet socially at a pub or other event for a pint.
- ❖ For members of the Club to be able to attend degree ceremonies as a group.

The emphasis of the Club is on fun and enjoyment and it is hoped that you will fully appreciate your membership. Club members will introduce themselves to you and will be happy to accompany you to visit different Lodges to see other members going through their degree ceremonies. As with most things in life, the more you put in, the more you will get out of your membership.

Structure of the Club

The Club is designed to be run by the members themselves with events and social meetings organised by Club members. There is a committee which stays very much in the background, and acts mainly in an advisory role.

Those involved in the day-to-day running of the Club are John Anderson, Events Secretary, Craig Statters and Chris Hughes.

Please feel free to chat to any of these brethren about Club events or anything else Club-related.

The Club has a Twitter and a Facebook page which will keep you updated on Club activities. Follow these to get the most out of your membership of the Club. You will also find a lot of information about the Leyland and District Group on their website.
